

It's time once again for the Athens-Limestone Hospital Foundation's golf tournament "The Crystal Cup". The proceeds from this year's Crystal Cup will be used to support Athens-Limestone Emergency Medical Services.

Athens-Limestone Emergency Medical Services is owned and operated by the Health Care Authority of Athens-Limestone County. As the major provider of basic and advanced emergency life support services, Athens Limestone Emergency Medical Services covers **536 square miles**, operating **24 hours a day 7 days a week**. Our **9 ambulances** and **43 paramedics and EMT's** answer an average **761 calls per month** or **33 responses every 24 hours**. This dedicated team of emergency service professionals depends on their equipment to provide excellent care for the nearly 10,000 patients they are called to treat each year.

The goal for this year's Crystal Cup is to provide our Emergency Medical Services department with **two Stryker Power-PRO TL Stretchers**. The introduction of the high-tech stretchers will provide our paramedics and EMT's with the ability to load patients more safely with less risk of injury to themselves. Injuries suffered when lifting a patient to and from a vehicle is the primary cause of career ending injury for paramedics and EMT's. We want to help preserve the health of the men and women that care for us in our time of greatest need.

The event will take place on Thursday **September 16th** at **Canebrake Championship Golf Course** with a **1:00 pm** shotgun start. Registration begins at **11:00 am** with lunch being served from noon until **12:45 pm**. I would like to offer you an opportunity to be a part of this exciting event by becoming a sponsor.

I have included a sponsorship proposal for your review. Please let me know if you have any questions. I look forward to hearing from you.

Best regards,

Amy Golden, Director
